

Blue To Do Southern Sparkle

a night to remember

September 2016

Dear Springfield Schools Foundation Supporter:

Springfield Schools Foundation has a very simple mission: inspiring innovation and enriching education together for Springfield students. Simply put - we inspire our teachers and enrich our students. As school funding becomes more complex and limited, the reliance on school foundations continues to increase. We are achieving results, proven in our student accomplishments, because of supporters like you!

Since 2003, we have supported teacher-initiated projects that promote educational opportunities for students totaling more than \$300,000 across the six district buildings. Each year, the foundation provides classroom grants to purchase books, equipment, software, musical instruments and other items that help teachers spark a lifelong enthusiasm for learning. We are also proud to support strong academic programs that have received state and national recognition including "The Grove" Outdoor Classroom, the SHS Science Olympiad Team, along with the SHS students who represent the high school at the National History Day competition.

These innovative programs are supported from our biennial fundraiser, **Blue To Do**. This exciting event is scheduled for **November 11, 2017** at The Toledo Zoo's soon to be renovated pavilion. Our theme to kick-off the new look of the pavilion is "**Southern Sparkle**".

We hope you will support education by helping us make **Blue To Do** a huge success. Sponsor and donor information are enclosed. Please note that Springfield Schools Foundation is an independent, 501(c)(3) non-profit, which allows all donations to be tax-deductible.

You can learn more about the beneficial programs our Foundation has funded by visiting our website at www.springfieldschoolsfoundation.org and our Facebook page at "Springfield Schools Foundation."

An addressed envelope and donation form are enclosed for your convenience. We look forward to your donation to this very exciting event!

Warmest Regards,

Brenda Dodson
